

## WS Series 2-Way Installation Speakers

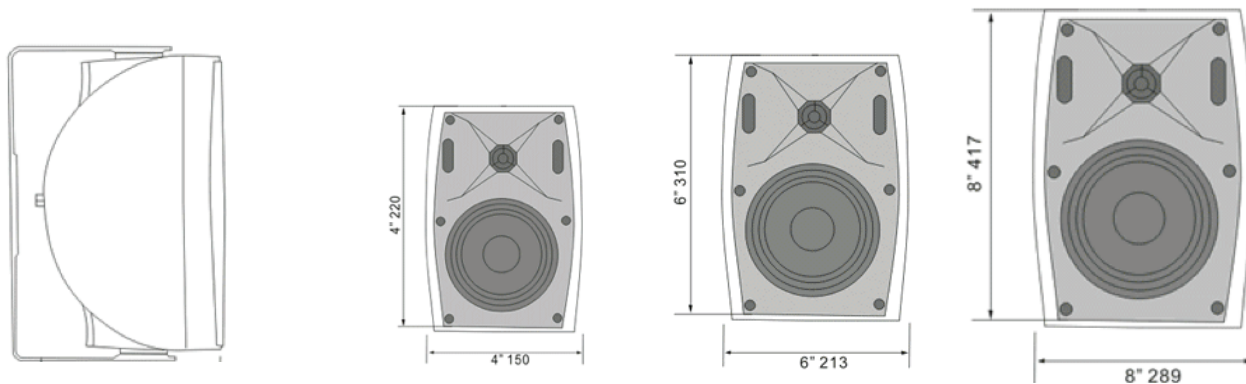

The InDesign WS Series surface mount speakers are designed to suit a range of installations, providing clear reproduction of speech, background music and foreground music.

The WS Series are built with compact and lightweight H.I.P.S cabinets, and include adjustable u-brackets that can be installed both vertically and horizontally for installations where space is limited.

The WS Series are the perfect installation speakers for bars, music restaurants, retail outlets, audio visual, boardrooms and offices, exhibition areas, showrooms, fitness centre's and presentation environments

### Features
