

iD-SM30 IP65 Rated Surface Mount Speaker

The inDESIGN iD-SM30 is a background music speaker product suitable for indoor and outdoor use.

This product is designed to be in the elements. It features UV stable ABS construction, aluminium powder coated grills with a IP65 weather rating.

The iD-SM30 offers both high and low impedance operation making it a suitable product to operate with just about any amplifier.

The sonic performance, mounting versatility and IP65 weather rating make the iD-SM30 speaker the right choice for all your background music needs.

The iD-SM30 is available in white (iD-SMA50-W) and black (iDSMA50-B) variants.
